PINNACLE CSR

In 2007, the management of Pinnacle Hotels, Resorts, and Spas has set up Youth Leadership Development Foundation (YLDF) to give needed young adults between 15 to 18 years of age the opportunity to develop their leadership skills and career planning. Twice a year, approximately 150 youths from different parts of Thailand will join the school-break camp at our Jomtien beach resort, near Pataya. For 7 days, they will meet their own peer with diverse cultures and backgrounds and create a lifetime friendship as well as a social network among themselves. Employees of the Pinnacle Hotel Group are proud about our engagement and contribution to develop competent young men and women who one day will become true and honorable leaders of their respective communities.
